

SURF TRIP '20

Agadir, Morocco
28 March - 03 April

PRACTICAL INFORMATION

FLIGHTS

- Flights are not included in the trip price, you will have to purchase them on your own.
- Transport to the accommodation will only happen from the Agadir airport.
- We suggest using: [skyscanner.net](https://www.skyscanner.net) (use a private browser)
 - The best flights right now are (but they might change):
 - AMS → AGA on the 28th : EasyJet (12:15-16:30)
 - AGA → AMS on the 3rd : Transavia (18:45 – 23:35)
- We also suggest checking other close by airports that might have better deals. For instance, last year Brussels-Agadir or Charleroi-Agadir had some good connections.
- We will be organising a pick up from the airport from Agadir to the accommodation, only if you arrive on the 28th / leave on the 3rd
- We will have a Excel sheet where everyone who joins can fill in their flights, so you can also check there which is the most popular flight!
